**COMMENTS ON STATEMENT OF REASONS FOR
ALLOWANCE AND EXAMINER'S AMENDMENT**

Dear Sir:

Applicants thank the Examiner for making changes to this application by Examiner's Amendment to place the application in condition for allowance. However, neither the Interview Summary dated December 18, 2006 nor the Examiner's Amendment accompanying the Notice of Allowance mailed December 28, 2006, indicates the reason for amendments to Claims 1 and 10. To provide a complete record, Applicants provide the following observations:

During the interview, the Examiner explained that the Office currently prefers that the term "if" be used in claims only as part of a phrase that specifies **both** an act that occurs if a specified condition is met and an alternative act that occurs if that condition is not met. As

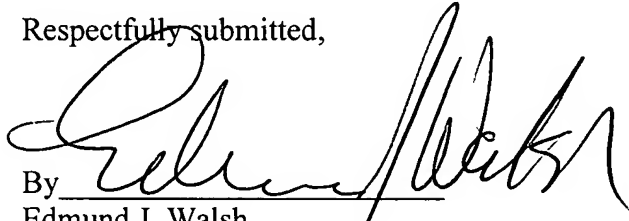

U.S. Application No: 10/606,848
Art Unit: 2138
Conf. No: 5755

explained by the Examiner, for claims that do not also specify an alternative act that occurs if the specified condition is not met, the Office believes that the term "when" is appropriate.

Because Claims 1 and 10 only define an act to be performed if a specified condition exists, without reciting an alternative act to be performed if the condition is not met, the Examiner requested that the term "if" be changed to "when" in accordance with the described practice of the Office. This change is not intended to alter the meaning of the claim. Specifically, the term "when" is still intended to convey a conditional event and is not intended to specify a limitation on the timing of that event.
